Director of Transportation Planning

The Crater Planning District Commission (CPDC), a regional planning organization located in Central Virginia, is seeking a qualified, self-motivated applicant with experience at the regional level in transportation management.

The individual selected will be responsible for overseeing the management of the Tri-Cities Area Metropolitan Planning Organization (MPO). Responsibilities include oversight of all transportation grants, funding programs, initiatives, and studies, as well as preparation of studies that integrate all aspects of transportation planning.

The CPDC is an Equal Opportunity Employer.

Director of Transportation Planning

The Crater Planning District Commission is seeking to fill the position of Director of Transportation Planning. The individual selected will be responsible for overseeing the management of the Tri-Cities Area Metropolitan Planning Organization (MPO). Responsibilities include oversight of all transportation grants, funding programs, initiatives, and studies, as well as preparation of studies that integrate all aspects of transportation planning. The ability to introduce innovative approaches to metropolitan transportation needs and experience with the Federal Certification Requirements for MPOs serving an urbanized area with a population over 200,000 with TMA designation is preferred. Experience with other Federal Transportation Programs and Virginia's SmartScale Program is desirable.

Strong interpersonal skills are necessary. Knowledge and ability to make effective presentations to elected officials, boards, committees, and outside organizations are very important.

A master's degree in urban planning or a related field preferred and five years of progressively responsible experience is required or a combination of both education and experience. A competitive salary will be offered depending on qualifications, with excellent fringe benefits.

Reply with resume, cover letter and salary history to dmorris@craterpdc.org, or by USPS to Crater Planning District Commission, Post Office Box 1808, Petersburg, Virginia 23805. Open until filled. EOE/F/M/H
